

# Preschool number puzzles for numbers 1 to 10

Thanks for downloading these free preschool number puzzles for the numbers 1 to 10. I really hope you enjoy using them.

You can find more math resources and activities on my website ([www.mathkidsandchaos.com](http://www.mathkidsandchaos.com)) and in my [Teachers Pay Teacher store](#).

Please be aware that these puzzles are for personal use only. This means you can use them with your children at home or, if you are a teacher, with your own class of students. They are protected by copyright so cannot be copied, changed, distributed or sold.

If you know someone who would also like to use these puzzles, please help me by referring them to my website.

Thank you!
